

Comfort &
Efficiency

Our Vision

To be a globally trusted and responsible manufacturer by delivering premium quality gloves and garments that combine performance, comfort, and sustainability.

We strive to minimize our environmental footprint through eco-conscious practices, continuous innovation, and commitment to ethical manufacturing — ensuring a better tomorrow for the planet and its people.

Our Mission

To build long-term partnerships with our customers by providing Quality, Sustainable, and Ethically Produced goods — delivered on time and at competitive prices.

We aim to continuously improve our processes, empower our team, and embrace sustainable materials and technologies to meet the evolving global standards of safety, comfort, and environmental responsibility.

Company Profile

Sunshine Gloves is set up in the midst of vast area of Production & Export in Faisalabad, Pakistan. The installation of machinery was completed in November 1992 and commercial production commenced on 1st October 1993. We are Oeko-Tex® certified, ISO 9001:2015 certified, and have successfully undergone SEDEX-SMETA 4-Pillar audits, reflecting our commitment to global quality, safety, and ethical standards. High quality is bound to generate global demand is meticulously materialized planning of this unit. No compromises allowed from selection of the appropriate cotton lint or Leather to delivery of goods to our respected clients. To achieve perfection in the process, state-of-the-art machinery

has been installed. Quality assurance of gloves produced increasingly challenges human perception. To meet this, need a fully computerized laboratory system has been set up to check and counter check all necessary quality parameters. The credit of continuing success of Sunshine Gloves clearly goes to well-communicated and strictly implemented management policies. Our strength is derived from strong belief in the potential of each committed individual endeavouring at each level of responsibility for the long run success of the company. True involvement in affairs and interest of the company at individual's area is always ensured.
